As the holidays are upon us, I like to reflect on the year passing and dream about the year ahead. I'm reminded a year ago I had my bariatric surgery. It has been a good year for me! I pray in this new year all your dreams come true. If you're traveling, be safe, have fun, and remember to enjoy yourself. See you in 2025.

JAN., FEB. AND MARCH WORKSHOPS
Beacon United Methodist Church
(previously Park United)
9 a.m. - 3 p.m.

The first three months we will be working with scraps. Hopefully we will be able to make a dent in it! Put these dates on your calendar:
January 18, February 15, and March 15.

January you will be using scraps that are 1½" by 3½" as one option or 1½" and 2½" scraps for another. Examples at the meeting.

February we will be making small scraps called crumbles or you can do string piecing. These can be done on a foundation or not.

March will be a scrap table runner using 2½" strips.

If anyone would want to teach a project during the year, please let me know and we can figure out a month to do that.

Thanks, Sue Ann Winking

The Program Committee looks forward to seeing what your favorite season is!

NEW MEMBER SPOTLIGHT

Beth Brothers is from New London, MO. She has been quilting for 12 years.

Her favorite part of quilting is hand sewing the binding. She was influenced to begin quilting by her grandmother--did her first nine patch by hand. Kim Dryden “has helped me learn so much over the years.”

Beth is a retired RN/NP. Her others interests are Pickleball and volunteering. She volunteers at EMBRACE Children and Families (foster care support, CASA volunteer), and grandkids. Her favorite quilting personalities are Sharon Wasteny, Leah Day, and “just learning You Tube peeps.”

NEW MEMBER SPOTLIGHT

Wilma Poor is from Hannibal, MO. She has been quilting for 32 years.

Her favorite part of making a quilt is piecing the first block so she can visualize the quilt. Wilma was influenced to quilt by her mom. Her mom always had a quilt frame set up. Her children and grandchildren all have one of her quilts. Wilma is trying to make a quilt for each of her nieces’ children and grandchildren. She has two more to make.

PHD MONTHLY CHALLENGE

Clear out your Quilting Space with a challenge to finish those projects from long ago.

Rules to get you started:

Bring along your PHDs to the February 4 meeting to declare it. State what needs to be done to finish your project.

Attaching a binding only will NOT be accepted as part of the challenge. Finished items will allow you to be put into a draw to win a PRIZE.

Table runner sets, small/medium wall hanging etc = 1 draw

Large projects = 2 draw

The more projects finished the more chances to win.

Projects must be at least 2 years or older.

At the November 3, 2025, meeting winners will be announced.

If you have a project that requires some further input to finish, bring it along to a meeting and see what ideas our quilters can come up with to help you finish it.

Any questions, please let me know at the January meeting

HPQG SERIES QUILT 2025

Let's kick off the 2025 Series Quilt!

If you ordered a pattern, please plan to pick it up at the January 7 guild meeting. The pattern includes instructions for a 6" block and a 12" block. Choose the one you want to make. (Some people may choose to make both!)

For each month's assignment completed ON TIME and shared at our guild meeting, members will earn a ticket for the prize drawing in December. Assignments completed late do not earn a ticket, but we would still love to see your progress!

At the January meeting, we will show the first assignment. The finished block(s) will be due at the February guild meeting. If there were any pattern errors or if we have helpful tips, we will share those, too!

Participants will also receive a schedule for the year so we will all know what is due and when it is due.

PATTERN: A Quilting Life BOM 2022 by Sherri McConnell.

If videos are helpful to you, instructions for each block can be found on A Quilting Life YouTube Channel.
