HAVE YOU EVER THOUGHT I'M FAT, I'M OLD I'M WORN OUT....

I was young once.

To all my female friends from 50 years and up. Most of us are ageing through the next phase of our lives. We're at the age where we see wrinkles, grey hair, and extra pounds. We see cute 25-year-olds and reminisce. But we were also 25, just as they will one day be our age. We aren't those "girls in their summer clothes" anymore. What they bring to the table with their youth and zest, we bring our wisdom and experience. We have raised families run households, paid the bills, dealt with diseases, sadness and everything else life has assigned us.

Some of us have lost those that we're nearest and dearest to us. We are survivors. We are warriors in the quiet. We are women, like a fine wine or classic car. Even if our bodies aren't what they once were, they carry our souls, our courage, and our strength. We shall enter this chapter in our lives with humility, grace, and pride over everything we have been through, and we should never feel bad about getting older. It's a privilege that is denied to so many. ~unknown

SEWING AND FELLOWSHIP 

Come sew on meeting day. The room will be available at noon on meeting day if there is interest. Reply to Tina's Facebook post if you plan to come.

MARCH 15 WORKSHOP
Beacon United Methodist Church
(previously Park United)
9 a.m. - 3 p.m.

We will be working with your scraps to make crumble blocks. You can make any block you want. I will have an example of a star block and a heart block at

the meeting so you can get an idea of what a crumble block is. You can also do strip piecing with your scraps on a foundation or not. Or you can just come and sew with us and work on your own project! If anyone is interested in teaching a project during the year, please let me know and we can figure out a month to do that.
 Thanks, Sue Ann Winking

HPQG Series Quilt 2025

The pattern instructions are divided into 12 months. *Our goal is to have our completed quilt tops ready to show at the December guild meeting. Because of this, our monthly assignments do not always match the pattern month.*

Both the February AND the March blocks from pages 4-8 of the pattern are due at the March 4 guild meeting. For the February block, instead of following the author's pattern instructions, we recommend this simple assembly method for the quarter square triangles: <https://www.aquilt-inglife.com/quarter-square-triangle-video/>

We will set up a table each month at the guild meeting. Please show us the assigned block(s) and fill out a ticket for the December prize drawing! *A ticket is earned each time you show us the assigned block on the due date.*

Come to the guild workshop Saturday March 15 to work on the series quilt with us!

BLEST ARE THE QUILTERS

Blest are the quilters,
 for they are piece-makers.
 Blest are the quilters,
 for they make ends meet.
 Blest are the quilters,
 for they can cut corners.
 Blest are the quilters,
 they keep you in stitches.
 Blest are the quilters,
 for they patch things up.
 Blest are the quilters,
 they pick up the pieces.
 Blest are the quilters,
 they cover you in love.
 They will keep your feet quite warm at night.
 They make great comforters as well.
 Each day they reap just what they sew, and they put color in your life.

VENDOR FAIR COMING FAST!

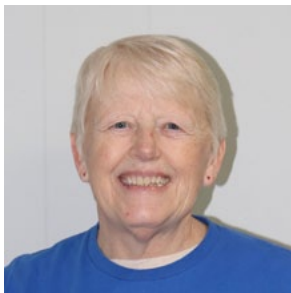

We will need a few workers on Friday afternoon/evening to set up and help vendors unload and then to help during the fair on Saturday. We will have a sign up sheet at the meeting. If you want to contact me to sign up or donate my number is 573-231-2059.

We don't have an entry fee, but we will have our opportunity quilt present and also make money on raffle baskets. If you would like to sponsor one, or have items to donate to us for a basket, please bring to the March meeting or get hold of me.

Thank you for you help and support.
 Gina and Suzy,
 Vendor Fair chairs.

MEMBER SPOTLIGHT

Patty Martin is from Hannibal, MO. She learned to sew in 4H. Patty's

favorite part of making a quilt is piecing and "adding to my fabric stash. Haha!" Patty began quilting when her husband pastored churches in southwest Missouri and one had a quilting ministry. She has been making blankets for charities ever since.

Patty is retired. Her interests are being with family and friends. She enjoys Jenny Doan's daily thoughts and her tutorials. "She makes quilting fun."

MEMBER SPOTLIGHT

Debbie Conley is from Palmyra, MO. She started by sewing clothes

and costumes. She started quilting about 20 years ago intermittently and regularly about 8 years ago. Debbie's favorite parts of making a quilt are choosing a pattern and fabric and piecing. She was influenced to quilt by friends who quilted. Debbie is a retired nurse. Her other interests are traveling, reading and visiting with family and friends. Her favorite YouTube personalities are Jenny Doan, Misty, and Natalie from Missouri Star, Sherri and Chelsea from A Quilting Life, Corey Yoder from Coriander Quilts, Edyta Sitar from Laundry Baker Quilts, and Shabby Fabrics.

JULY CHALLENGE

The "What is your favorite season?" challenge was introduced at the February meeting. We will bring more copies of the tree template to hand out. For the July Challenge use the quilt template to applique a tree onto fabric. Decorate the tree and show off your favorite season. We have included a picture of the tree pattern to get your creative juices going! Maximum finished size is 18" x 20." The Favorite Season tree quilt must be quilted and bound and have a label on the back of the quilt. At the July meeting, share your decorated tree showing off your favorite season. The Program Committee looks forward to seeing what your favorite season is!

DECEMBER CHALLENGE

The December Challenge is all about Christmas. Make a Christmas themed quilt. This can be a table runner up to a bed size quilt. The Christmas quilt must be quilted and bound with a label on the back.

PHD MONTHLY CHALLENGE

Clear out your Quilting Space with a challenge to finish those projects from long ago.

Rules to get you started:

Bring along your PHDs to the March 4 meeting to declare it.

State what needs to be done to finish your project.

Attaching a binding only will NOT be accepted as part of the challenge.

Finished items will allow you to be put into a draw to win a PRIZE.

Table runner sets, small/medium wall hanging etc = 1 draw

Large projects = 2 draw

The more projects finished, the more chances to win.

Projects must be at least 2 years or older.

At the November 3, 2025, meeting winners will be announced.

If you have a project that requires some further input to finish, bring it along to a meeting and see what ideas our quilters can come up with to help you finish it.

Any questions, please let me know at the March meeting.
