At our April meeting we will celebrate the great and wonderfully successful 2022 Quilt Show. Please come and participate in the success. It takes us all. Lesa has the schedules, but if you

QUILTING TIP: We all make errors, both technical and in our choice of fabrics, but our boo-boos nearly always lead to a better understanding of the quilting process. 'Mistakes' are really just learning experiences, so analyze them and tuck that knowledge away for the next project. Your skills will grow with every new quilt you sew.

Thank you everyone who has already volunteered to fill a spot at the quilt show. We still have lots of openings! Please volunteer to work in one of these places. We decided that this year all members of HPQG will get free admittance into the show. We will have hand sanitizer and face masks available for anyone who wants to protect themselves. I have had phone calls from people as far away as Texas and Arizona who are coming to our show. I hope we can all contribute to making this show wonderful for all involved! I can't wait to honor our service men and women. It's going to be great!

Quilting FOR CHARITY

Good Morning Ann,

I wanted to send a special and heartfelt "thank you" to you and the Hannibal Piecemakers for their generosity of time and materials in the [statewide] donation of nearly 700 quilt blocks for Quilts of Valor.

This will allow our groups throughout Missouri to set these blocks together into almost 30 quilts to honor our servicemen and women who have been touched by war. Our founder, Catherine Roberts, felt that quilts bring comfort and healing. Thank you for helping us to bring that to our very deserving nominees.

Some of these blocks will make an appearance at the AQS Quiltweek in Branson March 23-26. Blocks will be displayed and those at the conference will be encouraged

to write messages of support and appreciation in the white spaces of the blocks. Again, those blocks will be sewn in Quilts of Valor to honor our brave men and women. The remaining blocks will be packaged into "quilt kits" of 20-24 blocks per kit for easy assembly into quilts.

I feel blessed to be able to partner with your wonderful group of quilters. Thank you, once more!

SERIES QUILT 2022

Our 2022 Series Quilts promise to offer everyone some fun. I have chosen two projects which offer you flexibility and creativity as you would choose. If you want to simply follow the instructions or in one project buy a kit, you can. If you want a smaller version of the quilts, both have convenient ways to adjust the size to your liking.

The first project is called Ruby Sensations. This is a medallion quilt, meaning it is worked from the center block out, like a round robin. The quilt size

is 86" X 86", however, you can stop at any point to make it smaller or add additional rounds to make it bigger. The center block also offers options. The pattern has a Missouri Star in the center, but a Carpenter's Star would also work if it measured the same. The pattern is available through Missouri Star Company, and there are three color wave kits available.

The second project is called Seminole Border Sampler. This quilt plays off the traditional Seminole Quilts

and garments that the Florida Seminole Indians make. Their artwork is all by hand, with very tiny pieces. I have taken the time to increase the size of the Seminole strips to show the unique pieced borders that this beautiful technique to do for your quilts. The instructions for this project will come to you monthly since it is written by me. If you want to audition fabric, look for Light, Medium, and Dark fabrics with high contrast. You can make this in three colors (L/M/D) or scrappy. (I used a jelly roll plus yardage for mine). Instructions for both will be provided at the next meeting.
