The vendor fair committee would like to make a display of items that we donate to the various charities. If you have anything ready and would agree to having it displayed, please bring to the April meeting. Also, you can still bring items for baskets. Thanks for your help in making the fair successful.

## PHD MONTHLY CHALLENGE

Clear out your Quilting Space with a challenge to finish those projects from long ago.

Bring along your PHDs to the April 1 meeting to declare it.

State what needs to be done to finish your project.

Attaching a binding only will NOT be accepted as part of the challenge. Finished items will allow you to be put into a draw to win a PRIZE.

Table runner sets, small/medium wall hanging etc = 1 draw

Large projects = 2 draw

The more projects finished, the more chances to win.

Projects must be at least 2 years or older.

At the November 3, 2025, meeting winners will be announced.

Complete the form that was in the February newsletter or see Barb Dwyer for a copy.

## MEMBER SPOTLIGHT

Ann Foreman, Palmyra, MO. was the bookkeeper for her husband's

trucking company, Foreman Trucking, Inc., a livestock hauling business for twenty-five years. She also worked as a private cook for a family in Hannibal for over ten years. Currently, she cleans houses and one church.

Garment sewing was her introduction to a sewing machine. Her grandmother helped her and let Ann sew on her black Singer 99. Ann's love of sewing blossomed as she was able to take Home Economics classes in high school that included clothing construction, and later sewing and tailoring classes in college at NMSU. She later enjoyed sewing garments for her children and especially loved making new Easter dresses for her daughters.

Ann has admired quilts since she was young child, remembering her grandmother's hand-quilted, elongated nine-patch quilt in royal blue, cheddar, and unbleached muslin. She joined HPQG in 2017 as an empty nester, mostly just to watch and learn. During the Covid-19 shutdown, she spent a lot of time on You-Tube videos from Mo Star Quilt Co. Jenny Doan made it look so easy! Binding by hand is her favorite part of quilting. Some of her favorite quilting personalities include Jenny Doan, Angela Walters, Leah Day and Karen Brown.

## DECEMBER CHALLENGE

## Welcome to Quilts of Valor Foundation 2025 Quilt Block Drive

There are many ways and sizes to make Log Cabin blocks; these involve different strip widths, color combinations, and overall planning.

While we respect individuality and creativity, in order for the donated blocks to work together to make quilts for our veterans, we have to work from a common base pattern, block strip sizes, and color combinations. Please confine your blocks to the cutting instructions given and the color combinations shown on the cutting page. Fabrics need to be 100% cotton, and color selection should be confined to shades of red (no pink), white or cream, and blue, and can be solids or small scale prints. If you have questions please email [blockdrive@govf.org](mailto:blockdrive@govf.org)

### 2025 Log Cabin Block Instructions:

Cutting instructions and a picture of the block are on page 1.

1. Press away from the center for all rounds. Finger press only until you have completed all the rounds as iron pressing frequently can bow or distort your rows. Blocks square to 12 1/2".
2. If you reorient your block to the picture before starting each step, you should have no difficulty with losing your place while sewing.
3. DO NOT BACKSTITCH at beginning and ends of rows. The fabric and stitching needs some fluidity to move, backstitching can cause puckering.
4. Thank you for your participation, your work is much appreciated.
