Cindy's thoughts

Well, we are entering month 2 of our social distancing/quarantine quilting fest. I think we will be learning a new "normal" by Memorial Day. At least that is my hope and prayers. Since the Governor still has not lifted the stay at home order, I feel it is needed to cancel our May 5 meeting. I know a lot of you have been making facial masks and other protective gear for our communities and beyond and have used a lot of your own stash and supplies. It will go down in history that quilters "are not hoarders!! We are emergency prepared"!!!! Thank you so much for all your time, effort, and talents in supporting our fellow man. This social distancing has given us plenty of time to finish all those UFO's and start some projects that have been looking pretty on a shelf or in a book. We will get to share them soon! Our quilt guild is sewn together with threads of love and kindness. -- *Cindy*
