JULY CHALLENGE

We are two months away from the July challenge! If you want to participate but the creative juices are not flowing, try doing an internet search for images of your favorite season. Or search for "favorite season quilt challenge." Hopefully, some of the pictures will spark ideas. As a reminder, the maximum finished quilt size is 18" x 20."

SEWING AND FELLOWSHIP

Come sew on meeting day. The room will be available at noon on meeting day if there is interest. Reply to Tina's Facebook post if you plan to come.

PHD MONTHLY CHALLENGE

Clear out your Quilting Space with a challenge to finish those projects from long ago. Bring along your PHDs to the April 1 meeting to declare it. State what needs to be done to finish your project. Attaching a binding only will NOT be accepted as part of the challenge. Finished items will allow you to be put into a draw to win a PRIZE. Table runner sets, small/medium wall hanging etc = 1 draw Large projects = 2 draw The more projects finished, the more chances to win. Projects must be at least 2 years or older. At the November 3, 2025, meeting winners will be announced. Complete the form that was in the February newsletter or see Barb Dwyer for a copy.

MAY PROGRAM

The May program is all about applique. Our Guild President, Tina Landskroener, will present. She is covering the different types of applique, materials needed and types of finished edges. If you want to try the July challenge but are unsure of how to applique, this program is for you! Tina has requested that if you have anything appliquéd, bring it to share.
