KC Hall

## PROGRAM:

Sewing Machine Maintenance  
Tim Hoover, Top Stitch Sewing

## WORKSHOP:

Appliqué  
Tina Landskroener

At the September 20 workshop, I will be showing how to make the Cell Mate Crossbody Bag. We will make the larger one which is 7.5" x 9.5". For those who would like, I will be sending in a group order on June 9. I will probably NOT be at the June meeting if the bridge is closed. So, you can either send me a check or Venmo me. @Linda-Belford-1 (2945) The printed pattern is \$11 and the hardware kit is \$14. See attached file for hardware color choices. The hardware kit includes everything but your outside "fabric" and lining. It can be made from cork, vinyl, fabric, waxed canvas, or KraftTex. The designer is giving us a VERY good deal on the pattern and kit and is paying the shipping. However, feel free to purchase your materials elsewhere. Non-members are welcome to come, but they will need to pay \$10 rather than \$5 workshop fee. Linda Belford ldb.belford@gmail.com

**PHD MONTHLY CHALLENGE**

Clear out your Quilting Space with a challenge to finish those projects from long ago.

Bring along your PHDs to the April 1 meeting to declare it.

State what needs to be done to finish your project.

Attaching a binding only will NOT be accepted as part of the challenge. Finished items will allow you to be put into a draw to win a PRIZE.

Table runner sets, small/medium wall hanging etc = 1 draw

Large projects = 2 draw

The more projects finished, the more chances to win.

Projects must be at least 2 years or older.

At the November 3, 2025, meeting winners will be announced.

Complete the form that was in the February newsletter or see Barb Dwyer for a copy.

**DECEMBER CHALLENGE**

The December Challenge is all about Christmas. Make a Christmas themed quilt. This can be a table runner up to a bed size quilt. The Christmas quilt must be quilted and bound with a label on the back.

*Members who would like to be added to the Longarm Quilter list, please contact Linda Belford.*
