## JULY PROGRAM

The July Meeting will be the big reveal for the What is Your Favorite Season Challenge? We can't wait to see everyone's favorite trees! If you haven't started your challenge quilt and want to participate, the requirements are an 18" x 20" quilt using the tree template, which can be found in the Files folder on the guild Facebook page. The Favorite Season tree quilt must be quilted, bound and have a label on the back of the quilt. We'll share information about the December Challenge at the meeting.

Remember to bring your fabric bingo cards to the July Meeting. We will play Bingo for the July program. The program committee has come up with some fabulous prizes for the game winners! If you need to make a Bingo Card, the instructions can also be found in the Files folder on the guild Facebook Page.

For the carry-in dinner, the Program Committee will be providing hamburgers, brats, and buns. Bring your own beverage. Thank you to the guild members who volunteered to bring a side, dessert or paper product. If you didn't sign up, plan to bring a dish to the December carry-in.

## TAMARACK JACKET CLASS -- WEDNESDAY, AUGUST 6

We're thrilled to announce a Tamarack Jacket sewing class on Wednesday, August 6, from 9:00 AM to 3:00 PM at the KC Hall in Hannibal. This exciting workshop will be led by the talented Angela Simmons, who will also be speaking at our August 5 meeting. We've attached photos showcasing the beautiful jacket pattern and Angela's comprehensive supply list for your convenience. (see p. 5)

The class will utilize the Grainline Studio Tamarack Jacket pattern (#16002), available in two size ranges (0-18 or 14-32) and easily purchased through Grainlinestudio.com, Amazon, or Etsy. Detailed fabric requirements are included on the back of the pattern. Please note: You do *\*not\** need to pre-quilt your fabric. You'll need fabric for both the outer layer and lining, along with batting, and additional fabric for the bias binding.

The cost is \$10 for members and \$15 for non-members. Due to limited space, we're capping attendance at 20 participants. To secure your spot, please contact Anissa at +1 (314) 482-4801 to register. We look forward to seeing you there!

# Suggested Fabrics

## Main and Lining

**Fabrics:** Light to mid-weight cottons, linens, chambrays, and blends work well for this jacket. Since the fabric will be doubled and quilted to a batting avoid anything too heavy as the jacket may become excessively stiff.

**Batting:** High quality batting in cotton, wool, bamboo, or a blend. Choose the thickness based on how warm you want your coat to be.

## Techniques

Straight seams, basic quilting, inserting welt pockets, and applying bias binding.

# Notions

**Thread**  
5 yds of 1/2" wide double fold bias binding (or 1/2 yd extra fabric to make your own)  
**View A:**  
4 coat hooks & eyes  
**View B:**  
4 heavy duty snaps  
Walking Foot
