AUGUST 16 WORKSHOP

HIDDEN LOG CABIN & LOG CABIN RETREAT

Beacon United Methodist Church
9 a.m. – 3 p.m.

You will have two choices of Log Cabin Quilts to choose from. Both use a 42 count Jelly Roll or a 42 count Layer cake.

No cutting before hand, but I would like you to iron the fabric so it will be ready to go. You will need a cutting mat and ruler that is at least 12 inches and a good rotary cutter.

These quilts are from Moonkin Stitchery and you can watch the videos on them on YouTube before the workshop if you want to get familiar with what we are going to do.

Bring your lunch or go out and get something. We usually eat together. Members are always welcome to come and work on their own projects.

TAMARACK JACKET CLASS -- WEDNESDAY, AUGUST 6

We're thrilled to announce a Tamarack Jacket sewing class on Wednesday, August 6, from 9:00 AM to 3:00 PM at the American Legion Hall in Hannibal, 3819 Hwy MM. This exciting workshop will be led by the talented Angela Simmons, who will also be speaking at our August 5 meeting. We've attached photos showcasing the beautiful jacket pattern and Angela's comprehensive supply list for your convenience. (see p. 5)

The class will utilize the Grainline Studio Tamarack Jacket pattern (#16002), available in two size ranges (0-18 or 14-32) and easily purchased through Grainlinestudio.com, Amazon, or Etsy. Detailed fabric requirements are included on the back of the pattern. Please note: You do **not** need to pre-quilt your fabric. You'll need fabric for both the outer layer and lining, along with batting, and additional fabric for the bias binding.

The cost is \$10 for members and \$15 for non-members. Due to limited space, we're capping attendance at 20 participants. To secure your spot, please contact Anissa at +1 (314) 482-4801 to register. We look forward to seeing you there!

Suggested Fabrics

Main and Lining

Fabrics: Light to mid-weight cottons, linens, chambrays, and blends work well for this jacket. Since the fabric will be doubled and quilted to a batting avoid anything too heavy as the jacket may become excessively stiff.

Batting: High quality batting in cotton, wool, bamboo, or a blend. Choose the thickness based on how warm you want your coat to be.

Techniques

Straight seams, basic quilting, inserting welt pockets, and applying bias binding.
